would be. The organizers of the Club didn't just how deep into athletics they wanted to go. Perhaps the appointment of an Athletic Committee next week may serve to inform them why the word athletic was inserted in the title. One thing, nowever, has been pretty fully determined on by the Club's Governing Council and that is that it will not carry the competition for crack athletes to any such an extent as some of the big clubs

been heard all along about the eight that will wear the blue. The secretive policy adopted by the men at the New Haven seat of learning is responsible for this, and it has been difficult to tell whether Yale will be in hailing distance at the finish or whether she will not lower the best time yet made—her own—20 minutes and 10 seconds. Yale wants G. L. Reeves, of Columbia, for referee.

Peter Maher, Bob Fitzsimmons's victim, now in Great Britain, speaks very highly of his treatment in the United States. Some day, he says, he hopes to be able to reverse the decidion of the New Orleans fight. Maher thinks Ted Pritchard, the Englishman, would be easy for Fitzsimmons.

The New York annual State shoot is being held at Syracuse this week. A party of New Yorkers con-tsting of W. Fred Quimby, L. H. Shortmeyer, P. H. Kellar, F. Mason, Ed Collins and M. F. Linsley went up yesterday. The first five days will be devoted to shooting at blue rocks. On Saturday live birds will be the targets.

C. M. Britton, the old half-mile runner, the American A. C., now of the Columbia A. C., expects to put on the spikes again shortly. He has compered with such fast performers as Carter, Hyertberg, Dohm and

Daly, Billy Delaney and Denny Dillon, for Loch Arbor, N. J., his training quarleft for Loch Arbor, N. s., and ters, by boat this morning. H. L. Bloomdeld has resigned as tennis director of the Manhattan Athletic Club.
